

You have begun the greatest adventure of your life: to know Jesus and to make him known!

The Hope Bible Training Centre (HBTC) is entering April 2026 with a transforming series of Bible study courses that will enrich your daily walk. AND YOU CAN ENROLL FREE OF CHARGE.

HBTC is a Bible Training Centre to prepare believers for victorious Christian living and effective, powerful ministry. You will learn how to apply the life-changing truths of God's Word in a practical way, which will help you allow the Holy Spirit's supernatural power of God to flow through you.

WHO can attend? HBTC is for all who are serious about studying God's Word.

HOW? Courses are online and will be available on this website. You can take the courses on your own free time.

WHAT will you learn? Each student has the opportunity to select the areas of study they would prefer. A full description of each program and its courses is available in our printed materials.

Will you receive credit? If you register for the course and do the assignments, you will be given a certificate of completion from HBTC at the end of each course. You can also choose to simply audit the course which does not require registering or completing assignments. Either option is free!

Our Vision

Our vision is to help you fulfil YOUR vision. This is your time! Let us all SPRING into action and become all that the Lord wants us to be!

- Seek God's will for your life.
- Increase your knowledge of the Bible.
- Be refreshed in spirit, soul, and body.
- Learn how you can minister love, joy, and peace.

The Mandate

Hope Bible Training Centre is a well-balanced educational program of academic excellence and practical experience. HBTC provides a qualified and Spirit-anointed faculty, equipping you for the work of the ministry.

Classes

Students are provided a strong, biblical ministry and spiritual instruction that produce spiritual growth, knowledge of God's word, and opportunities for Christian service. There is a commission to strongly combine the Word with the Spirit. The courses have been carefully designed with that purpose, and the class will be taught under the unction by the instructors.

Spiritual Life

Each class is directed toward the development of a deeper Christian walk. Each student is urged to maintain a daily devotional life.

Student Ministry

We invite all students to enter into a serious time of commitment that allows your heart to SEEK God's plan and purpose for your life. Participating in Hope Centre bible classes allows you to choose your own courses and proceed at your own study schedule.

The advantages of home study

- Courses are available to all within reach of a computer.
- The student prepares himself/herself for more effective service for the Lord.
- Home study does not interfere with the student's daily occupation and employment.
